

# ASSET PROTECTION

Reduce fraud by streamlining investigations and drive cross-functional ROI.

**Fast. Easy. Reliable.**

Simplify investigations and protect margins with robust video management, security events monitoring, POS exception-based reporting and more. Reduce theft and take action by identifying high-risk transactions, staff and shoppers.

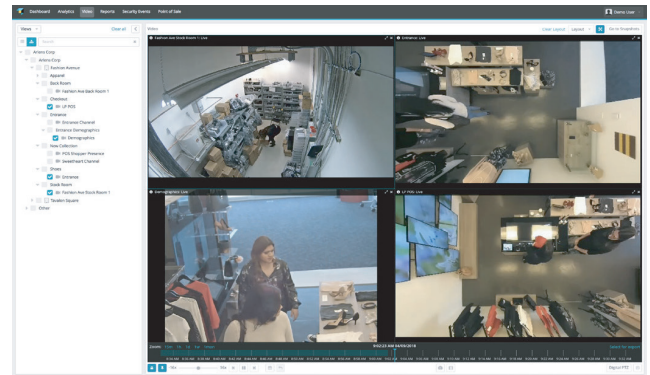

Expand and leverage the all-in-one RetailNext platform to improve store performance and unify systems cross-departmentally, resulting in substantial CapEx and OpEx savings.

POS events tied to video

# INVESTIGATE WITH POS EVENTS TIED TO VIDEO

Identify risk early by reviewing individual transactions and POS events tied to video. Integrate with legacy Loss Prevention hardware already in place or deploy the latest hardware innovations. Easily migrate from analog to IP cameras.

# QUICKLY TRACK PAST SECURITY EVENTS

Observe recorded video footage to monitor alerts from EAS systems, 'panic' buttons, safe opening, keypad activity, office entrance and exit, door alarms and other security events.
